JAKY LOEB'S SNOB STUFF DOESN'T GO

School Board President Gets the Once-Over All Along
the Line for Putting Son in Prep School While He
Knocks Chicago's Star Athletic High School.

HEALEY IGNORES LAW

Once more Chief Healey says he won't enforce the fender ordinance until Corporation Counsel Ettelson lets him. Major Funkhouser Friday gave Healey a report specifying fenders that come up to mechanical standards of the city ordinance.

Healey today was asked by fender companies for certificates to show that their fenders come up to ordinance requirements. He said he couldn't do anything until he got an opinion from the corporation counsel.

The truth about whether PUBLIC School Board Pres. Jacob M. Loeb sends his children to a PRIVATE school came out yesterday. Loeb himself admitted in a statement to newspaper men that he has a boy attending the University high school. It is a preparatory institution for Harvard university and instead of being a PUBLIC school is PRIVATE, fashionable, expensive and a place for sons of millionaires rather than hodcarriers or bricklayers.
